ORDER:-

M/s. Toyotsu Rare Earths India Private Limited in the reference 2nd read above has requested for sanction of Rs.20.00 crores towards the cost of construction of Zero Discharge Plant.

2. The Vice Chairman & Managing Director, Andhra Pradesh Industrial Infrastructure Corporation in his letter 4th read above, has informed that M/s. Toyotsu Rare Earths India Private Limited(TREI) was allotted 20.00 acres of land at Andhra Pradesh Special Economic Zone, Atchuthapuram, Visakhapatnam on 18.03.2011, on lease basis at a total lease premium of Rs. 7.00 crores @ 35.00 lakhs per acre, for a period of 33 years for establishment of Cerium Oxide, Lanthium Oxide and Neodmium Oxide production to set up a Rare Earths Plant at Andhra Pradesh Special Economic Zone Atchutapuram, Visakhapatnam, with an investment of Rs.500 crores in two phases with an employment potential of 500 persons. After receiving the total payment of lease premium, lease deed was executed and possession of 20.00 acres of land was handed over to the Company on 08.06.2011. As per the terms of allotment letter and lease deed, the rate at which allotment of land offered to the Company excludes the cost of the effluents, conveyance, Common Effluent Treatment Plant, Marine out fall, Sewerage etc .,

3. The Vice Chairman & Managing Director, Andhra Pradesh Industrial Infrastructure Corporation has further stated that M/s. Toyotsu Rare Earths India Private Limited (TREI) has informed that they are going to commence production shortly and expressed their concern over the non-completion of

Marine Disposal facility. Simultaneously, M/s. Toyotsu Rare Earths India Private Limited has decided to go for construction of a Zero Discharge Plant to cater the requirement of treatment and disposal to upkeep the environment. The Company has requested to sanction the cost of the project i.e. INR 2000 lakhs to enable them complete the treatment plant which helps them to start their production activity and accordingly placed an order for machinery also. M/s. Toyotsu Rare Earths India Private Limited, (TREI) is now requesting the Govt. of Andhra Pradesh to reimburse the cost of Zero Liquid Discharge facility which is about Rs. 20.00 crores.

4. The State Investment Promotion Committee recommended to consider 25% cost of Zero discharge facility as grant from Investment Infrastructure Development Fund budget of Industrial Department.

5. The State Investment Promotion Board reviewed the facts of the case in respect of M/s. Toyotsu Rare Earths India Private Limited and approved the recommendation of State Investment Promotion Committee to give 25% of the cost of Zero Discharge Facility as grant from the IIDF budget of Industries Dept., on account of the previous commitment given to TREI. However such concession/commitment should not be given henceforth.

6. Government after careful examination of the proposal and in view of the recommendations of the State Investment Promotion Board, hereby sanction 25% of the cost of Zero Discharge Facility as grant from the Investment Infrastructure Development Fund budget of Industries Department, on account of the previous commitment given to M/s. Toyotsu Rare Earths India Private Limited i.e. 25% of actual cost of Rs. 18,11,90,714/- under Industrial Investment Promotion Policy 2010-15 and henceforth no such concession/commitment will be given.

7. The Vice Chairman & Managing Director, APIIC, Hyderabad / Commissioner of Industries shall take necessary further action, accordingly and to intimate the status of progress of work done by the unit from time to Government.
